About Girl Scouts

We Are Girl Scouts. Girl Scouts bring their dreams to life and work together to build a better world. Through programs from coast to coast, Girl Scouts of all backgrounds and abilities can be unapologetically themselves as they discover their strengths and rise to meet new challenges—whether they want to climb to the top of a tree or the top of their class, lace up their boots for a hike or advocate for climate justice, or make their first best friends.

Backed by trusted adult volunteers, mentors, and millions of alums, Girl Scouts lead the way as they find their voices and make changes that affect the issues most important to them.

Girl Scouts of Western Ohio serves more than 25,000 girls in grades K-12, in a 32-county area throughout western Ohio and southeast Indiana, with the support of more than 10,000 dedicated volunteers.
