To Whom it may Concern,

The Clay High School Counseling Department is planning to bring back the annual "Clay College and Career Fair" on **Wednesday October 4, 2023.**

Our College and Career Fair provides the opportunity for our junior and senior students (600) to not only speak with many college, career, and military representatives, but to also sit in on two informational sessions that will directly benefit their own personal future. We will ultimately offer over 20 different sessions that will target all students' goals.

**The actual fair will run 10:45- 1:45 p.m.,** which allows four (4) groups of 150 students to come through the fair at a time. All other students not in the fair during each 45-minute time block will be sitting in another informational session, based on the topic of their choice.

Please plan to arrive before 10:30 so you have ample time to set up and enjoy your lunch, prepared for you by our Culinary Arts program. We are asking each college for \$12 to cover the cost of lunch. If more than one person is attending, an additional charge of \$12.00 will be needed to cover each additional attendee's lunch. The location of the fair will remain in the gymnasium as always. The following will assist us in our preparations for you:

- **Email your RSVP to Becky Dunsmore at [rdunsmore@oregoncs.org](mailto:rdunsmore@oregoncs.org) or call at (419) 697-3434.**
- **Provide a check to the address listed below (made out to Clay High School) to cover your cost of lunch. We are also accepting credit card payment this year. Please let Becky know when RSVPing so she can provide you the payment link.**
- **You may bring applications and other literature for our files/ students.**

The address for Clay High School is 5665 Seaman Rd, Oregon, OH 43616. There will be many signs pointing you in the right direction as to where to park, as well as student helpers waiting for your arrival to the parking lot located near the Clay Stadium, off Stadium Road. Thank you.

Sincerely,

*Kristen Keller*
