Greetings Laura,

We would like to first off thank you for your continued support of the Construction Management program here at Bowling Green State University. The CM program continues to grow and develop. Along with this, our student-led groups are growing as well. Student Construction Management Association (SCMA) and Purple Hard Hats are making great strides in the right direction.

With that being said, we are sending you this email today as a **“Save the Date”** for some upcoming events for this fall. Each year BGSU’s Construction Management program hosts a job fair. This year the job fair will be held on **October 3rd** at the Bowen Thompson Student Union on campus. Lunch will be provided for all the contractors before the job fair. The second event we would like for you to take note of is the Student-Contractor golf outing. The golf outing will be held on **September 6th** at Stone Ridge Golf Course in Bowling Green with lunch to follow.

**Registration links and more information for both the Job Fair and the Golf Outing will be sent out mid-July in a separate email.**

If you have any immediate questions feel free to reach out to any of us via email. We would like to thank you again for your continued support of our program, and we are looking forward to seeing you this fall!
